## Newsletter for March 2019

Happy Hippos - 

Dear Parent, The end of term **Graduation Day Celebration** saw our little stars performing on stage for the "Once Upon a Time" concert. Their confidence and excellence did us proud and we wish them success for lifelong learning. A tribute to Moms on **Mother's Day** was marked with excitement and love. Continuing with our quest to contribute to the the activities undertaken during **The Year of Tolerance** the children were taught the importance of celebrating the **Iranian New Year** and **Holi-the Indian festival of colours and harmony**. On the **World Water Day** children viewed audio-visual clip on the need to conserve water. **The Year End Party** was thoroughly enjoyed by the children along with their friends and teachers. With the end of another successful term many of our children are ready to face fresh challenges in formal schooling. We have endeavoured to prepare them well and wish them good luck. **We sincerely thank all our dear parents for your trust and support.**
