

Personal, Social and Emotional Developmental Activities

We enjoyed choosing our resources and trying new activities.

Communication and Language Developmental Activities

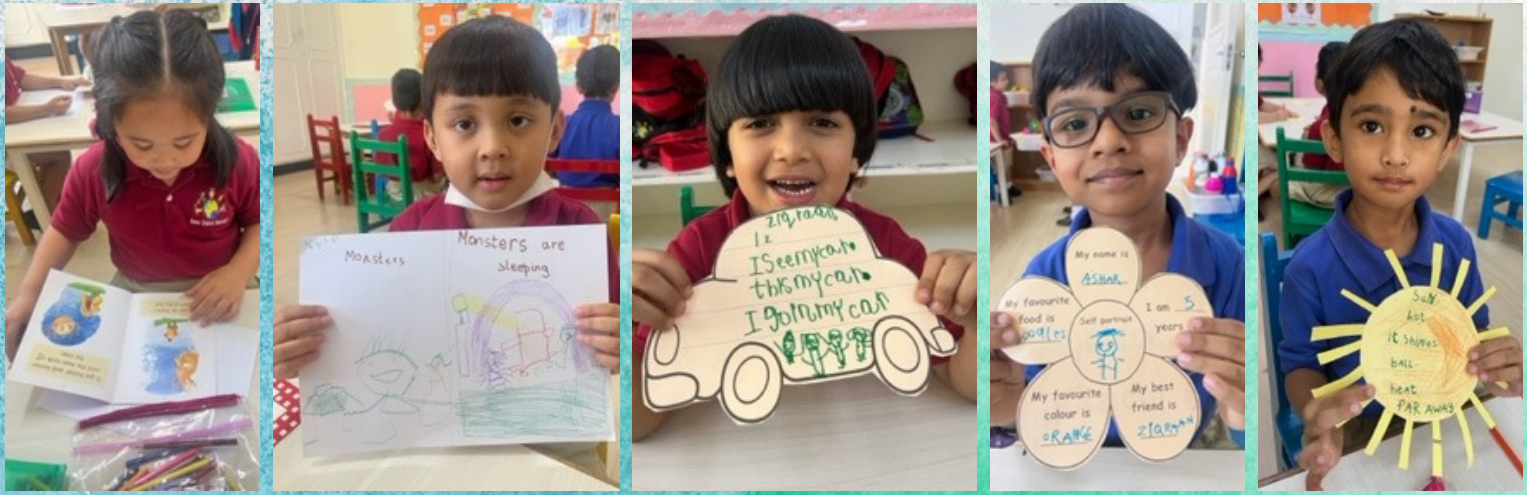

We enjoyed talking about the phases of Moon through a story and through hands-on activity. We drew and used different material to create and retell the story.

Physical Developmental Activities

Outdoor Play and Indoor Play has been important part of our daily routine in the nursery. It has developed our gross motor skills and we have learnt the importance of staying fit and healthy.

Literacy Activities

Now we can read and write. We enjoy creating our own stories and writing them in a meaningful context.

Numeracy Activities

Learning the 3D shapes, Concept of Odd one out, Ordinal Numbers and Bar Graphs were the main Math Concepts.

Understanding of the World Activities

We learnt about Solar System, Earth rotation causing Day and Night through different Activities. Finding U.A.E and other countries on the world map was very interesting.

Art and Craft Activities

We did different Art and Craft activities aligned with the monthly theme.

FS-2 Graduation Day

Dear Parent,
We the Team of EYEG, Congratulate
the 'Class of 2022' on their Graduation.
Thank you to each one of our parents
for entrusting your child in our care.
We wish you All the Very Best for a
Bright Future!

Special Activities

World Environment Day

International Yoga Day

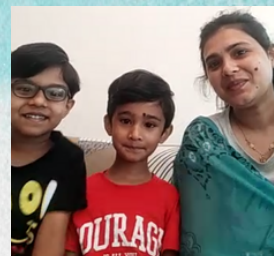

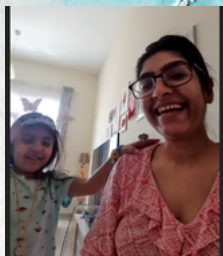

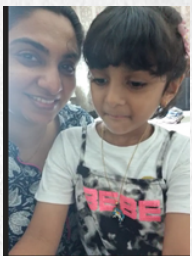

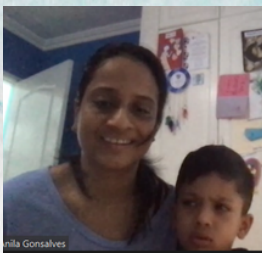

Father's Day
