

## Personal, Social and Emotional Developmental Activities

We had an enjoyable time engaging with our peers through various activities such as assembly, book reading sessions and creating a friendship tree.

## Communication and Language Developmental Activities

We had a wonderful time talking about our belongings, magic words and ways to keep our environment happy.

## Physical Development Activities

We actively participated in a variety of activities that effectively improved both our fine and gross motor skills.

## Literacy Activities

With great confidence, we successfully developed the ability to recognize, associate and write letters.

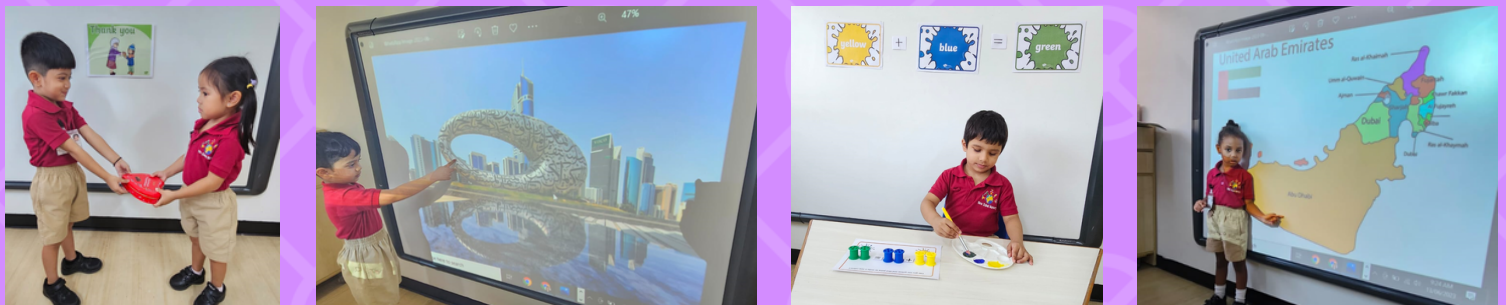

## Numeracy Activities

We have developed a strong sense of confidence in identifying, writing and associating numbers with their corresponding quantities.

## Understanding of the World Activities

We had a lot of fun mixing **Blue** and **Yellow** to create **Green** colour and also learnt about the Museum of Future and the seven Emirates of the UAE. Now we know when to use the Golden word in different situations.

## Art and Craft Activities

We had a lot of fun exploring different art and craft activities which helped us unleash our creativity and imagination.

# Special Activities

## Father's Day

## Fire Drill

## World Environmental Day

## International Yoga Day

## Parent-Teacher Meeting

## End of the Year Party

# Graduation Day 2023

**Appreciating our Parents who participated in the PIP.**

**We the Team of EYEG, Congratulate the  
'Class of 2023' on their Graduation to Grade One.**
