

### Personal, Social and Emotional Developmental Activities

Children learnt about the importance of self-care and were encouraged to make healthy food choices.

### Communication and Language Developmental Activities

Children had an interactive session on staying healthy and taking care of themselves.

### Physical Development Activities

Working on our hand and eye coordination skills.

## Literacy Activities

We are beginning to blend letters into words.

## Numeracy Activities

We are identifying missing numbers on the number line from 1 to 20.

## Understanding of the World Activities

Learning about healthy and non-healthy food options.

## Art and Craft Activities

We are making our own healthy eating poster!

# Special Activities

## Eid Al Fitr

## World Health Day

## Visit to the NDN Supermarket

## Online Sessions

## Birthday Corner

### Happy Birthday Rishikesh
