

## Personal, Social and Emotional Developmental Activities

We look forward for various group activities planned for us like assembly, games and group play. We get a chance to interact with our peers and build a strong relationship with them.

## Communication and Language Developmental Activities

Enacting the story of 'Rumble in the Jungle' we enhanced on further developing our vocabulary and expressive language.

## Physical Development Activities

### International Yoga Day

We are the little Yoga Dinosaurs.

Mindful exercises helps us to recognize our emotions, thoughts and actions in a positive way.

## Literacy Activities

We revised letters, their phonic sounds and the words begin with similar letter sounds.

## Numeracy Activities

We had fun doing different activities to recognize shapes, directions and also count and match numbers from 1 to 5.

## Understanding of the World Activities World Environment Day

We are doing in our small way to make this world a cleaner and a healthier place. Happy World Environment Day!

## Art and Craft Activities

We love to explore different art techniques which help us to enhance our creativity skills.
