

Personal, Social and Emotional Developmental Activities

Engaging in resilience activities with peers help develop qualities like patience, empathy, building and maintaining strong relationships.

Communication and Language Developmental Activities

Incorporating "magic words" into everyday interactions helps develop better communication and positive relationships.

International Yoga Day

Physical Development Activities

Robotics is helping us develop creativity and strengthen our fine motors. Yoga is a holistic approach for the overall development. We marked the Interanational YOQA day in the nursery

Robotics

Literacy Activities

We are enhancing our reading and writing skills through digraphs and sight words to be ready to read books on our own.

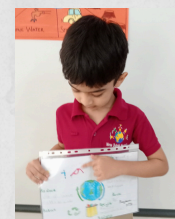

Numeracy Activities

We did recap of various concepts through different hands-on activities.

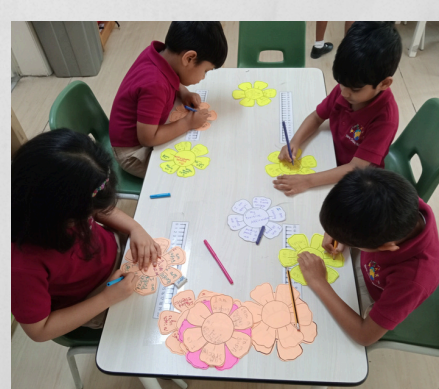

Understanding of the World Activities

World Environment Day

Taking care of our Environment and keeping ourselves healthy is our responsibility.

Art and Craft Activities

We enjoyed making various craft activities through the month based on the theme.
