

Our Learning Journey

Week 1 : Jack and the Beanstalk

We enjoyed story-themed activities including making a Beanstalk, doing Quantity Association using Jelly beans and Later, The magical Science experiment was so Interesting. We had fun Lacing a Harp too.

Week 2 : The Enormous Turnip

We Enjoyed the Roleplay by enacting the story The Enormous Turnip.

Week 3 : The Little Red Hen

We enjoyed enacting the story. We talked about the food items which are made of Wheat. Kneading the dough and rolling it was so much fun.

Personal, Social and Emotional Developmental Activities

We Developed an Emotional attachment with peers. We can Narrate the Story with help of the props according to the events taken place. We can also name the characters of the story.

Communication and Language Developmental Activities

We made our castle and described it in our own words.

We had so much fun enacting and participating in the story.

We can Sequence the story using the Stick Puppets.

A Sound Mind in a Sound Body.
Our Little Yogis.. caught in action.

Physical Development Activities

Children enjoyed doing different Gross Motor Skill Activities in the Premises.
