

Our Learning Journey

Week 1: All About Me

It's a new beginning at NDN. We got to know our Teacher, Class and the Names of our Friends. We spoke about our Family members and also expressed our different Emotions during the First week.

Week 2 : Body Parts and Senses

We learnt the names of our Body parts. It was so much fun to recognize them through many hands-on activities.

Week 3: Fruits and Vegetables and Personal Hygiene

Through this week's activities we learnt the names of Fruits and Vegetables and how to take care of ourselves.

Week 4 : UAE

Through different activities we learnt about UAE.

Personal, Social and Emotional Developmental Activities

We learnt
how to take
care of
ourselves
through
many fun
activities.

Communication and Language Developmental Activities

New songs
and Rhymes
teaches us
new
Vocabulary.
We can use
them in our
simple
Conversations.

Physical Development Activities

We enjoyed different Physical
Activities to enhance our Gross and
Fine Motor Skills.

Literacy Activities

We learnt Pre-Writing Strokes to begin with our Literacy Skills. We are learning to colour within the given boundary.

Numeracy Activities

Identical Matching and Colour Sorting are the main Math Concepts we have learnt this month.

Understanding of the World Activities

It's always good to know about the country we are living in.

Art and Craft Activities

We did many theme related Art and Craft activities through out the month.

Special Activities

Earth Day

Ramadan Kareem

Fire Drill

Professional Development Session for the Staff
