

Our Learning Journey

Week 1: All About Me

It's a new beginning at NDN. We got to know our Teacher, Class and the Names of our Friends. We can differentiate who are girls and boys in the class. We know the names of our belongings and we spoke about our family members during the First week.

Week 3: 5 Senses and Fruits/Vegetables

During this week we learnt the use of our 5 Senses through fun filled activities. Now we know the names of Fruits and Vegetables too.

Week 2: Body Parts and Emotions

We can name our Body parts. We did many Fun activities to learn new Vocabulary. We also learnt that our facial expressions can make different Emotions such as Happy, Sad, Angry and Surprised.

Week 4: UAE

We learnt many facts about UAE.

Personal, Social and Emotional Developmental Activities

We are confident to try new activities. Not only learning, it helps us to experience something new each day too.

Communication and Language Developmental Activities

**Show
and
Tell**

We can
name the
Body Parts.

Physical Development Activities

“Children learn
as they play. Most
importantly,
in play children
learn how to
learn.”

O. Fred Donaldson
